WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York, as amended, and Chapter 453 of the Laws of 1970 of the State of New York, as amended (hereinafter collectively called the “Act”), the **COUNTY OF FRANKLIN INDUSTRIAL DEVELOPMENT AGENCY** (hereinafter called “Agency”) was created with the authority and power to own, lease and sell property for the purpose of, among other things, acquiring, constructing and equipping industrial, manufacturing and commercial facilities as authorized by the Act; and

WHEREAS, **COVINGTON SOLAR 1, LLC**, for itself and/or on behalf of an entity or entities to be formed (collectively, the “Company”), has submitted an application to the Agency requesting the Agency's assistance with a certain project or projects (collectively, the “Project”) consisting of: (i) the acquisition by the Agency of a leasehold interest in approximately 10.10 acres of real property located at

State Route 37 in the Town of Fort Covington, New York (the “Land”), being more particularly described as a portion of tax parcel No. 23.-3-2.100, as may be subdivided); (ii) the planning, design, construction and operation of a 2MWAC solar electrical generation system, including panel foundations, inverters, transformers, interconnect wiring, utility connections, sitework, landscaping, fencing, security and related improvements (collectively, the “Improvements”); (iii) the acquisition of and installation in and around the Land and Improvements by the Company of machinery, equipment, fixtures and other items of tangible personal property (the “Equipment” and, collectively with, the Land and the Improvements, the “Facility”); and (iv) entering into a straight lease transaction (within the meaning of subdivision (15) of Section 854 of the Act), pursuant to which the Agency will retain a leasehold interest in the Facility for a period of time and sublease such interest in the Facility back to the Company (the “Straight Lease Transaction”); and

WHEREAS, the Agency is contemplating providing financial assistance to the Company with respect to the Project (collectively, the “Financial Assistance”) in the form of: (A) an exemption from all State and local sales and use taxes with respect to qualifying personal property included in or incorporated into the Facility or used in the construction and equipping of the Facility; (B) mortgage recording tax exemptions in connection with Company financings for the facility; and (C) a partial real property tax abatement through a payment-in-lieu-of-tax agreement (the “PILOT Agreement”), pursuant to which the Company would make payments in lieu of real property taxes to the Agency for the benefit of each affected tax jurisdiction (the “Affected Tax Jurisdictions”); and

WHEREAS, pursuant to and in accordance with Section 859-a of the Act, the Agency desires to schedule and conduct a public hearing relating to the Project and the proposed Financial Assistance; and

WHEREAS, the Agency is required to review the proposed Project pursuant to the State Environmental Quality Review Act, as codified under Article 8 of the Environmental Conservation law and regulations adopted pursuant thereto by the Department of Environmental Conservation of the State (collectively, “SEQRA”) for which the Agency seeks to serve as Lead Agency for SEQRA review purposes; and

WHEREAS, the Agency desires to (i) accept the Application, (ii) describe the forms of contemplated financial assistance; and (iii) authorize the scheduling and conduct of a public hearing pursuant to and in accordance with the Act.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE COUNTY OF FRANKLIN INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon the representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to (i) acquire a leasehold interest in the Land, Improvements and the Equipment constituting the Facility, (ii) lease the Agency's interest in the Land, Improvements and Equipment constituting the Facility to the Company pursuant to a lease agreement to be negotiated, and (iii) enter into a Straight Lease Transaction; and

(C) Subject to the terms and conditions set forth within Section 4, hereof, the Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to undertake the Project, thereby increasing capital investment and employment opportunities in the Town of Fort Covington, and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a facility or plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the “State”) to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other facility or plant to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

Section 2. The proposed financial assistance being contemplated by the Agency includes (i) an exemption from all state and local sales and use taxes with respect to the qualifying personal property included within the Project or used in the acquisition, construction or equipping of the Project, (ii) mortgage recording tax exemptions in connection with Company financings for the facility; and (iii) a partial real property tax abatement through a payment-in-lieu-of-tax agreement (the “PILOT Agreement”), pursuant to which the Company would make payments in lieu of real property taxes to the Agency for the benefit of the Affected Tax Jurisdictions.

Section 3. The Agency further authorizes the scheduling and conduct of a public hearing as required by Section 859-a of the Act (the “Public Hearing”). Prior to such Public Hearing, The Chairman, Vice Chairman, and/or the Chief Executive Officer of the Agency are hereby authorized and directed to negotiate the terms of one or more PILOT Agreements for the Project in accordance with the Agency's Uniform Tax Exemption Policy (“UTEP”).

Section 4. The Agency hereby authorizes the Chairman, Vice Chairman, and/or the Chief Executive Officer of the Agency, along with counsel to the Agency, to work with the Company to review the Project in accordance with SEQRA. To the extent deemed necessary or appropriate, the Agency hereby authorizes and ratifies the issuance of lead agency solicitation notices, for designation of itself as lead agency for purposes of reviewing the Project pursuant to SEQRA, including the distribution of the Environmental Assessment Form to all applicable involved and interested agencies in connection with same.

Section 5. The Agency's formal inducement to undertake the Project and approve the Financial Assistance shall be by one or more further resolutions of the Agency and shall be subject to the terms and conditions as are set forth therein.

Section 6. Harris Beach PLLC, as Transaction Counsel for the Agency, is hereby authorized to work with Agency General Counsel and counsel to the Company and others to prepare for submission to the Agency all documents necessary to effect the conduct of the Public Hearing and the authorization and undertaking of the Project.

Section 7. The Chairman, Vice Chairman, and/or the Chief Executive Officer of the Agency are hereby authorized and directed to negotiate, but not execute, certain lease agreements, an Agent and Financial Assistance and Project Agreement (the “Agent Agreement”), the PILOT Agreement(s), and related documents to undertake the Straight Lease Transaction. The Agency's authorization of the Project and the Financial Assistance shall be subject to the adoption of Agency resolutions relative to same.

Section 8. The Chairman, Vice Chairman and/or the Chief Executive Officer of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Company and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.
