WHEREAS, in furtherance of the foregoing, the Agency desires to authorize (i) the appointment of the Company as agent of the Agency to undertake the Project; (ii) the execution and delivery of the Agent Agreement, Lease Agreement, the Leaseback Agreement, the PILOT Agreement, and related documents; (iii) the provision of the Financial Assistance to the Company, which shall include (a) an exemption from all state and local sales and use taxes with respect to the qualifying personal property included in or incorporated into the Facility or used in the construction and equipping of the Facility, and (b) a partial real property tax abatement through the execution of an agreement with the Agency regarding payments in lieu of real property taxes to be made for the benefit of the Affected Tax Jurisdictions; and (iv) the review and ratification of findings pursuant to SEQRA in connection with the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE COUNTY OF FRANKLIN INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon the representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to (i) acquire title to or other interest in the Land, the Existing Improvements, Improvements and the Equipment constituting the Facility, (ii) lease or sell the Agency's interest in the Land, Existing Improvements, Improvements and Equipment constituting the Facility to the Company pursuant to a lease agreement or sale agreement, and (iii) enter into a Straight Lease Transaction with the Company; and

(C) The action to be taken by the Agency will induce the Company to undertake the Project, thereby increasing employment opportunities in the Town of Bangor, which is located within Franklin County, New York, and otherwise furthering the purposes of the Agency as set forth in the Act; and

(D) The Project will not result in the removal of a facility or plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other facility or plant to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(E) Based upon a review of the Application, the EAF and the Negative Declaration issued by the Town and submitted to the Agency, the Agency hereby:

(i) consents to and affirms the status of the Town as Lead Agency for review of the Facility, within the meaning of, and for all purposes of complying with SEQRA;

(ii) ratifies the proceedings undertaken by the Town as Lead Agency under SEQRA with respect to the construction and equipping of the Facility pursuant to SEQRA; and

(iii) finds that the Project involves an "Type 1 action" (as such quoted term is defined under SEQRA). The review is "uncoordinated" (as such quoted term is defined under SEQRA). Based upon the review by the Agency of the EAF and related documents delivered by the Company to the Agency and other representations made by the Company to the Agency in connection with the Project, the Agency hereby finds that (i) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (ii) the Project will not have a "significant effect on the environment" (as such quoted term is defined under SEQRA); and (iii) no "environmental impact statement" (as such quoted term is defined under SEQRA) need be prepared for this action. This determination constitutes a "negative declaration" (as such quoted terms are defined under SEQRA) for purposes of SEQRA.

Section 2. Subject to (i) the Company executing the Agent Agreement and Leaseback Agreement, and (ii) the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, renovation, construction, reconstruction, rehabilitation and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, construct and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting on its own behalf; *provided, however*, the Agent Agreement shall expire on December 31, 2022 (*unless extended for good cause by the Chief Executive Officer of the Agency*).

Section 3. Based upon the representation and warranties made by the Company the Application, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to approximately **\$2,484,474.50**, which result in New York State and local sales and use tax exemption benefits (“sales and use tax exemption benefits”) not to exceed **\$227,878.00**. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services, and, to the extent required, the Agency authorizes and conducts any supplemental public hearing(s).

Section 4. Pursuant to Section 875(3) of the Act, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; (iv) the Company has made a material false statement on its application for financial assistance; (v) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project; and/or (vi) the Company obtains mortgage recording tax benefits and/or real property tax abatements and fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project (collectively, items (i) through (vi) hereby defined as a “Recapture Event”).

As a condition precedent of receiving sales and use tax exemption benefits and real property tax abatement benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) if a Recapture Event determination is made by the Agency, cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, mortgage recording tax benefits and/or real property tax abatements abatement benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands, if and as so required to be paid over as determined by the Agency.

Section 5. The Chairman, Vice Chairman and/or the Chief Executive Officer of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver the Agent Agreement, Lease Agreement, Leaseback Agreement, PILOT Agreement, PILOT Mortgage, and related documents with such changes as shall be approved by the Chairman, Vice Chairman and/or the Chief Executive Officer and counsel to the Agency upon execution.

Section 6. The Chairman, Vice Chairman and/or the Chief Executive Officer of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the “Lender”) up to a maximum principal amount necessary to undertake the Project, acquire the Facility and/or finance or refinance equipment and other personal property and related transactional costs (hereinafter with the Straight Lease Documents, the “Agency Documents”); and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chairman, Vice Chairman and/or the Chief Executive Officer of the Agency shall approve, the execution thereof by the Chairman, Vice Chairman and/or the Chief Executive Officer of the Agency to constitute conclusive evidence of such approval; provided, that, in all events, recourse against the Agency is limited to the Agency's interest in the Project.

Section 7. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 8. These Resolutions shall take effect immediately upon adoption.
